

Cooperative Nursery Has Some Space

A cooperative nursery school for children from three years to kindergarten age will be operated in Torrance four days each week.

Operated as a nursery school and parent education workshop, the nursery school is under the direction of the Torrance Unified School District's Adult Education Office.

Lectures on the pre-school child will be given for parents each Thursday evening at the nursery school.

The school is located at 4553 W. 182nd St. Information about enrollments and membership may be obtained from the Adult Education Office, FA 8-8080 or from the membership chairman, Mrs. William Faulds, FR 1-7239.

Bubble Nest Builders on Meet Agenda

James Marshall will monitor the question and answer session at tonight's meeting of the Harbor Aquarium Society to be held at 8 p.m. in the Recreation Hall at McMasters Park, Artesia and Yukon Avenue. Vice President Al Doyle of Torrance will open the meeting.

The showfish of the month will be fish of the anabantid family, which includes the many varieties of gouramis, paradise fish, and the betta or Siamese fighting fish.

All these fish are bubble nest builders. The male builds the nest and after spawning is completed, the male attends to the eggs and young as they hatch.

All persons interested in tropical fish are invited to attend.

Cite Carson Students for Salesmanship

Top salesmen at Carson High School are two sophomores who sold more than 525 cans of peanuts between them during the pre-Christmas peanut sale.

The winners are Gloria Munoz and Bill Kennelley. Miss Munoz sold 286 cans of peanuts at 50 cents each and received a gift certificate at the Campus Store for her efforts. Kennelley sold 252 cans and also received a certificate for school supplies.

A total of 12,055 cans were sold by the Carson students. The sale added \$2,874.50 to the Carson Student Body treasury, and that isn't peanuts!

Auto Engine Donated to South High

Paul's Chevrolet Sales and Service has donated a 1954 used Mercury engine for use in the automotive shop at South High School.

Trustees of the school district accepted the gift Monday evening and expressed thanks to the firm for its help with the automotive shop program. The engine will be used to demonstrate the functions and operations of a live engine in the classroom.

Adult School Classes Open for Spring Term

Registration for classes in the Torrance Adult School for the spring semester is now open, according to Raymond Collins, principal of the adult school.

All students who are working toward a high school diploma must register with the Adult School office prior to the beginning of classes. Others who attend classes may register during the first class session.

To be eligible to attend classes, students must be at least 18 years of age. An annual incidental fee of 50 cents

is required of all students, and a tuition fee of \$3 per course for each non-academic course must be paid.

PERSONS UNDER 21 or over 65, students taking English or Citizenship classes for the foreign-born, and students taking classes required for the high school diploma will not be required to pay the tuition fees.

Tormenting Rectal Itch Stopped In Minutes

Science Finds New Healing Substance That Promptly Stops Itching and Pain of Piles

New York, N. Y. (Special)—One of the most common afflictions is a condition known as "itching piles." It is most embarrassing for the victim during the day and especially aggravating at night. No matter what you've used without results—here's good news. For the first time, science has found a new healing substance with the astonishing ability to promptly stop the burning itch and pain. It actually shrinks hemorrhoids—without surgery. Medical science has proved this substance produces a remarkably effective rate of healing. Its germ-killing properties also help prevent infection. In one hemorrhoid case after another—very striking improve-

ment" was reported and verified by a doctor's observations. This improvement was maintained in cases where a doctor's observations were continued over a period of months! Among these sufferers were a wide variety of hemorrhoid conditions, some of 10 to 20 years' duration. The secret is this new healing substance (Bio-Dyne®)—discovery of a world-famous research institution. This substance is now obtainable in ointment or suppository form known as Preparation H®. Ask for Preparation H Suppositories (convenient to carry if away from home) or Preparation H Ointment with special applicator. Available at all drug counters.
